 Re: Fee Schedule for 2009-2010 fiscal Year (July 2009 through June 2010)

The fee schedule for 2009-2010 will remain the same as it has been since 2002 with the following changes:

We will pass through the CYO participant fee (\$10.00 per player) directly to the players. Collect the fee at the time of registration and inform the parents that this is required by CYO. If CYO reconsiders and rescinds the fee we will reimburse anyone who has paid. For football we will not go back and ask for the fee from anyone who has already paid their registration. The fee should be collected for any new registrations going forward.

The family max will only apply per season for in-Parish families. There is no family max for out-of-Parish families. People with large families that have a lot of kids participating should talk to the program director, AD, or President of the Dad's Club if they have concerns about the costs. It will be addressed on a case by case basis. No-one will be turned away due to financial constraints.

A family pass for all home games will be included in the registration fee at no additional cost.

We will not raise our entrance fee at the home gate.

See below for a summary of the fee schedule
