

Basketball Clinic Procedures (for St. William School students staying after school)

- A schedule of the clinic days and the coaches who are responsible will be given to the school office. Parents please check the Dads' Club calendar available through the Dads' Club website at www.saintwilliam.net each week to confirm that there is an afterschool skills clinic on the days you expect your child to attend. (There are some occasions when we are unable to have a skills clinic due to other conflicting events; while the calendar is fairly complete for the season, it is possible for things to change, so please try to check weekly).
- A list of all players from the school will be in the school office.
- Each school family in the program should have received padded permission slips for the clinics. (Copies may be available in the school office).
- Only these permission slips and not hand written notes or phone calls will be the necessary permission for any student to remain for the clinics.
- All permission slips will be collected daily at the time morning attendance is taken.
- Students will not be allowed to call home to receive permission to remain for a clinic.
- If a student does not have proper permission, the school will dismiss the student following their normal dismissal procedure.
- All students who are attending a clinic will exit the school building under their teacher's direction and then go directly to the AC.
- No students will be allowed to change in the school bathrooms. This will happen under the direction of the coaches in the AC bathrooms.
- If for whatever reason a clinic needs to be cancelled, the school office will be informed prior to noon that day so the necessary calls and changes in dismissal can be handled.
- One coach each day needs to come to the school office prior to the 2:40 dismissal bell. At that time, a list of all those students who are to be in attendance will be given to the coach.
- If a particular student or student does not come to the clinic as indicated by the school office, the coach is to contact the school office immediately. The same is true if a student is present at the clinic and not marked by the office as having permission to be there.
- Student athletes will enter the gym by the northeast door (kitchen corridor near tower entrance). All other doors should be locked and left closed.
- No basketballs or other equipment are to be used until the coaching staff directs.
- Upon entering, student athletes will put their belongings ON one of the sets of bleachers (we will need all floorspace) and wait in the gym until instructed to change for practice after attendance is taken.
- The northwest doors to the corridor will be opened when students are released to change and will again be closed when everyone has returned. No student athletes are to leave the gym at any time or for any reason without a coach or supervisor's permission.
- Practice will begin with a prayer and stretching at 3:00 p.m. and end at 4:25 p.m. There will always be a team practice following the skills clinics, so please gather your things and keep off the tan portion of the floor so as not to disturb the practice.
- Parents must come to the gym to pick up your child(ren). We will not release them to wait in the halls or parking lot.

Questions?? Contact us via e-mail : basketball_director@saintwilliam.net or call Todd Diffenderfer at 881-31320281 or Tom Convery at 866-4950
