

April, 2009

Greetings,

The **Fourteenth Annual St. William Dads' Club Golf Outing** is approaching fast. This year we will again be having the outing in spring. Be sure to put May 30<sup>th</sup> on your calendar. We have decided to return to a morning start time (9:00am shotgun) to allow for more enjoyment of the after golf festivities. In light of the current economic conditions we are also reducing the fee to \$75 and are offering an early bird discount for those who sign up before April 30<sup>th</sup>. By making these changes, we hope to not only attract more golfers but also increase the success to levels we have experienced in previous years. Even though we made changes to the outing, our goal remains the same - *providing the funds to maintain and enhance our sports programs and other charitable causes.*

The **St. William Dads' Club** is a volunteer organization, which sponsors academic and athletic activities at St. William Parish and School in Walled Lake. Our members donate in excess of 15,000 hours of their time every year in coaching, serving on academic planning committees, and planning and participating in all of the annual Dads' Club sponsored events. The Dads' Club is dedicated to making sure that each child at St. William has the opportunity to partake in sports and excel in their academic and extracurricular activities.

In order to ensure the success of this event, we would very much appreciate your support as a sponsor for this year's Golf Outing. There are several opportunities to show your support in the form of a Tee, Green, Hole, or Specialty Sponsorships. Each of our sponsors is recognized in our program booklet which is distributed at the outing as well as other Dad's Club events throughout the year. In addition, as part of your sponsorship, you get recognition at the banquet dinner and on the course in the form of a sign. One of our most popular sponsorships is a "**Green Sponsor**". As part of the Green Sponsor package you get a flag that displayed on the course the day of the outing. This flag displays your company name and/or logo on one side and the St. William Dads' club logo on the other. Many local businesses have these handsome flags on display in their offices or stores.

In addition to monetary sponsorship, we are always in need of silent auction items and raffle prizes. Donations such as gift certificates, golf equipment, and/or your company's product or service would be most appreciated. Your gift will help make a difference for the youth of St. William, the community at large, and will also ensure that our programs for their benefit will continue to grow. I have attached a proposal, which outlines the available opportunities for becoming a sponsor of this event.
